Objective

Motivated and detail-oriented Software Developer with knowledge of **React.js, JavaScript, HTML5, CSS3, MongoDB, Git** Seeking an entry-level opportunity to apply my technical skills, build scalable web applications, and contribute to a growth-oriented organization while continuously learning and improving.

Education

Bachelor of Technology (B. Tech) – Computer Science

University : Shri Ram Swaroop Memorial University Lucknow

Year of Passing: 2026

Diploma in Computer Science

University : Shri Ram Swaroop Memorial University Lucknow

Year of Passing: 2023

Skills

- HTML5, CSS3 – Responsive and modern UI development
- JavaScript (ES6+) – DOM manipulation, events, basic async programming
- React.js – Components, hooks, props, state management
- Tailwind CSS – Utility-first responsive design
- MongoDB – Basic CRUD operations
- Git & GitHub – Version control and collaboration

Projects

Agro Fresh

- Developed an online platform that connects **farmers directly with customers**
- Solves the problem of **middlemen**, helping farmers earn better profits
- Allows farmers to **list fresh produce** such as vegetables, fruits, and grains
- Enables customers to **browse local, fresh, and affordable products**
- Integrated **WhatsApp communication** for direct farmer–customer interaction
- Promotes **healthy, local food access** while supporting farmers economically

Sales Management System

- Developed a responsive **Sales Management System UI** using React.js.
- Implemented **Create Sales Order** functionality to add and manage customer orders.
- Developed an **Invoice Generation** feature for generating invoices based on sales orders.
- Used **LocalStorage** to store and persist sales orders, customer details, products, and invoice data.
- Implemented frontend **CRUD operations** for managing sales-related records.
- Designed reusable components for forms, tables, invoices, and dashboard sections.
- Created a user-friendly and responsive interface for efficient sales order and invoice management.

Certification

- Basic Java
